

Conference on Advances in Weather and Climate Modelling (AWCM 2026)

This one-day conference brings together experts, researchers, and students to discuss recent developments and emerging directions in weather and climate modelling. The event also honours the contributions of **Prof. A Chandrasekar** to atmospheric modelling

Conference Themes

1. **Advances in Numerical Weather Prediction**
2. **Climate Modelling and Projections**
3. **Applications and Emerging Topics**

VENUE : INDIAN INSTITUTE OF SPACE SCIENCE AND TECHNOLOGY, VALIAMALA, KERALA

DATE : 27 MARCH 2026

Call for Abstracts

Oral presentations are by invitation only.

Students are invited to submit poster abstracts (max 300 words) aligned with the conference themes, including title, authors, affiliations, and contact details.

Submission Email:
awcm@iist.ac.in

Deadline:
February 15, 2026

Acceptance Notification:
February 27, 2026
