Indian Institute of Space Science and Technology

Centre for Career Guidance and Placements

About the Centre

Shaping student careers by

- Liaising with industry, R&D organizations
- Providing training, guidance
- Facilitating internships, and placements.

Dr Kuruvilla Joseph
Chariman, CCGP
Steering Committee

Dr Immanuel Raja
Associate Professor
Head, CCGP

UG Programs @ IIST

Department	Specialization
Aerospace Engineering	BTech – Aerospace Engineering
Avionics	BTech – Electronics and Communication Engineering (Avionics)
Physics	BTech – Engineering Physics & MTech/MS (Dual Degree)
	Master of Science - Astronomy and Astrophysics
	M.Tech - Earth system and Sciences
	M.Tech - Optical Engineering
	M.Tech – Solid State Physics

PG Programs @ IIST

Department	Specialization
Aerospace Engineering	M.Tech - Aerodynamics & Flight Mechanics
	M.Tech - Structure & Design
	M.Tech - Thermal & Propulsion
	MTech – Manufacturing Technology
Avionics	M.Tech - RF & Microwave Engineering
	M.Tech - Digital Signal Processing
	M.Tech - Control System
	M.Tech - VLSI & Microsystems
	M.Tech - Power Electronics
Chemistry	M.Tech - Material Science & Technology
Earth & Space Sciences	M.Tech - Earth system and Sciences
	M.Tech - Geoinformatics
	Master of Science - Astronomy and Astrophysics
Mathematics	M.Tech - Machine Learning & Computing
Physics	M.Tech - Optical Engineering
	M.Tech - Quantum Technology

Internships

PG/DD Internships:

- 1-year (3rd & 4th semesters)
- Industry-partnered (3rd on campus, 4th in industry).
- Interviews: 1st/ 2nd semester.

UG Internships:

- 6-week/2-month (between 6th & 7th semesters)
- 4-6 month (8th semester project)
- Interviews: 5th, 6th, or 7th semester

Full Time Recruitment

UG/ PG/ Dual Degree full time hiring:

- Phase 1: August – December
- Phase 2: January - June

Student Availability & CTC Details

Department	Program	Strength	Median CTC	Max CTC
Aerospace Engineering	BTech Aerospace Engineering	65	13.5 LPA	15 LPA
Aerospace Engineering	MTech Programs (4 programs)	~60	9-10 LPA	15 LPA
Avionics	BTech ECE	65	13.5 LPA	40 LPA
Avionics	MTech Programs (5 programs)	~50	10-12 LPA	40 LPA
Mathematics	MTech Machine Learning & Computing	12	14 LPA	20 LPA
Physics	MTech Programs (2 programs)	15	10 LPA	15 LPA

CCGP's Academic Timeline

Placement Process

1	2	3	4	5
INVITATION	**RECRUITER REGISTRATION**	**STUDENT LIST PREPARATION**	**SELECTION PROCESS**	**FINAL SELECTION**
Invitation is sent to recruiters along with placement brochure and other relevant information required	Form A is provided for the recruiter registration. Recruiters fill Job description and offer details	Interested and eligible students data are forwarded to the recruiter's perusal	Recruiters conduct tests and interviews as per their process online or offline	Recruiters shortlist students for recruitment and offer letter is released

Come to IIST & find the talent to power your dreams!
