

Visit of delegates from
**Technical University of Applied Sciences Wildau
(TH Wildau), Germany**

Organized by
Department of Chemistry

**Technical Presentations
Interaction with students and faculty**

Prof. Alexander Köthe Prof. Christian Dreyer Prof. Michael Herzog

Flight Mechanics and Flight Controls for a Compound
Aircraft – Long-Endurance Operation at High Altitudes

Prof. Alexander Köthe

Advanced Composite Development for Applications
Ranging from Aerospace to Urban Farming and
Vandalism-Resistant Systems

Prof. Christian Dreyer

Circular Economy of Polymer Materials

Prof. Michael Herzog

 02:00 pm  2nd March 2026  Admin Council Hall

In association with
MRSI Thiruvananthapuram Chapter
