

Indian Institute of Space Science and Technology

Declared as Deemed to be University under Section 3 of the UGC Act, 1956

An Autonomous Institute under Department of Space, Govt. of India

Valiamala, Thiruvananthapuram 695 547, Kerala

UG Admission Brochure

2025

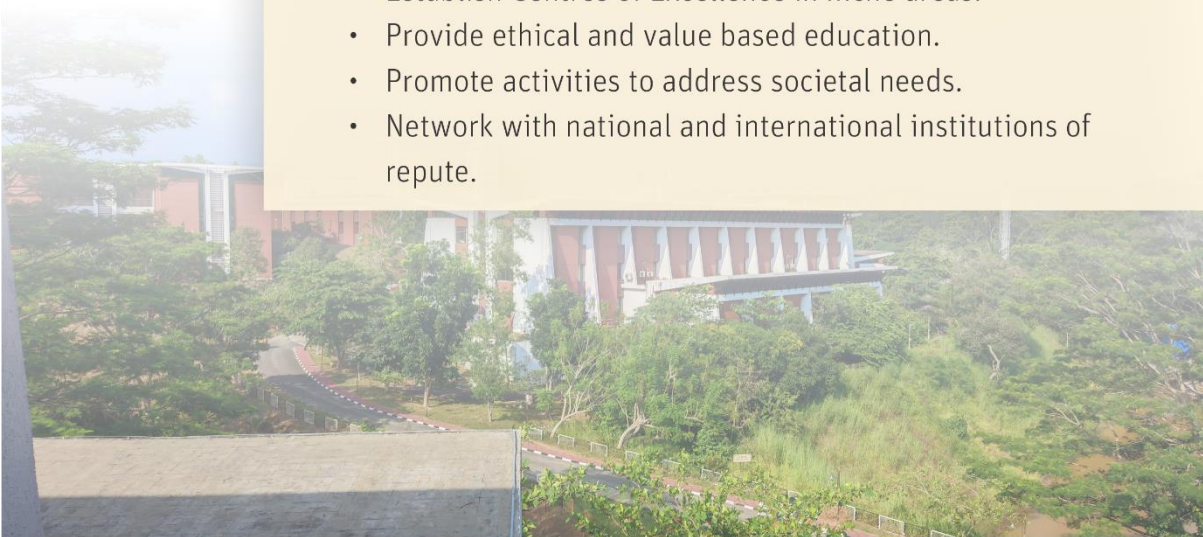

Vision

To be a world class educational and research institution contributing significantly to the Space endeavours.

Mission

- Create a unique learning environment enriched by the challenges of the Space Programme.
- Nurture the spirit of innovation and creativity.
- Establish Centres of Excellence in niche areas.
- Provide ethical and value based education.
- Promote activities to address societal needs.
- Network with national and international institutions of repute.

Key Functionaries

**President, Governing Body, IIST
Secretary, DoS**

Dr. V. Narayanan

Chancellor

Dr. B. N. Suresh

**Vice Chancellor
Chairman, Board of Management**

Prof. Dipankar Banerjee

Deans

Dr. Kuruvilla Joseph
Registrar & Dean Academics

Dr. A. Chandrasekar
Research & Development

Dr. Raju K. George
Student Activities, Student
Welfare & Outreach

Dr. C. S. Narayanamurthy
(JPR & Continuing Education,
& International Relations)

1 ABOUT THE INSTITUTE

Indian Institute of Space Science and Technology (IIST), situated at Thiruvananthapuram, Kerala, is a Deemed to be University under Section 3 of the UGC Act, 1956. IIST, established in 2007, functions as an autonomous institution under the Department of Space (DoS), Government of India. IIST was conceived with a vision to nurture exceptional human resource for the Indian Space Research Organization (ISRO), one of the world's leading scientific organizations engaged in space research and space applications. The institute is the first of its kind in the country to offer high quality education at the undergraduate, graduate, doctoral and post-doctoral levels on areas with special focus on space sciences, space technology and space applications.

Equipped with excellent infrastructure and about 95 highly qualified faculty members (**Table 1-1**), IIST has risen to great heights within a decade of its inception. It is ranked among the top 51 Engineering institutes of the country according to 2024 NIRF rankings of MHRD with a high score of more than 77% in Teaching, Learning and Resources, which is relatively superior to many premier institutes in the country. Recently, the institute has been accredited with A+ grade by National Assessment and Accreditation Council (NAAC) The institute currently offers three undergraduate and fifteen postgraduate programmes that are listed below.

Undergraduate Programmes

- B. Tech. in Aerospace Engineering
- B. Tech. in Electronics and Communication Engineering (Avionics)
- B. Tech. in Computer Science and Engineering (Data Science)
- Dual Degree (B. Tech. in Engineering Physics + Master of Science/ M. Tech. in one of the following:
 - Master of Science in Astronomy and Astrophysics
 - Master of Science in Solid State Physics
 - M. Tech. in Earth System Science
 - M. Tech. in Optical Engineering

Previous years UG enrolment is shown in Table 1-2.

Postgraduate Programmes

- M. Tech. in Thermal and Propulsion
- M. Tech. in Aerodynamics and Flight Mechanics
- M. Tech. in Structures and Design
- M. Tech. in RF and Microwave Engineering
- M. Tech. in Digital Signal Processing
- M. Tech. in Control System
- M. Tech. in VLSI and Microsystems
- M. Tech. in Power Electronics
- M. Tech. in Materials Science and Technology
- M. Tech. in Earth System Science
- M. Tech. in Geoinformatics
- Master of Science in Astronomy and Astrophysics
- M. Tech. in Machine Learning and Computing
- M. Tech. in Optical Engineering
- M. Tech. in Quantum Technology

In addition, IIST has a vibrant research environment with more than 450 PhD scholars engaged in frontline research areas. The academic programs are formulated to strengthen the fundamentals, provide hands-on experience through practical work, enhance the understanding and expand the boundaries of knowledge in various areas of interest. IIST focuses on inculcating the culture of innovation in students.

All the academic labs in IIST are meticulously designed, with the best experimental set-ups and equipment. IIST has three Centres of Excellence in Advanced Propulsion and Laser Diagnostics, Virtual Reality and Nanoscience & Technology where students involve themselves in various advanced and sophisticated experiments. The many state-of-the-art research laboratories offer a unique learning environment for the students to delve into cutting-edge research. With IIST stepping into the next decade, the decadal plans promise ample opportunities to the young, bright students to get actively involved in space related projects like PILOT-GRACE2, ARIS-201F, InspireSAT-1, Space Robotics, Space Sensors, etc.

Visit the website www.iist.ac.in for a detailed overview of IIST and its activities.

2024	72	72	24	168

2 RESEARCH AND CURRICULUM LABORATORIES AT IIST

IIST has all the academic labs equipped with all the essential instructional rigs. Knowledgeable lab staffs keep them in prime-form. Each department has their own research labs with dedicated modern equipment, centre of excellences, to nurture the research minds of the students. A central workshop gives life to all the creative designs of the students. A High-performance computing centre caters to all the academic research in computational domain. Students perform their instructional labs, internships, projects, etc., in these labs. Apart from that students are encouraged to visit ISRO centres for their internships, projects, etc. IIST provides unique opportunities for students to have lead roles in projects of national importance such as in the design and development of Nano-satellites, Cubesats and sensors related to space application, etc. Students of earlier batches actively participated in the design of sounding rockets like Vyom Mk II.

3 IIST'S SMALL SATELLITES AND PAYLOADS

One of the uniqueness of the institute is that the young IISTians get a chance to participate in the development of scientific payloads and small satellites in collaboration with ISRO. Some of the payloads developed by IIST UG students are discussed here.

Recently the Department of Space announced PSLV Orbital Experimental Module (POEM) to allow the scientific community to conduct microgravity experiments in an orbit utilising the spent PS4 stage of the PSLV-CA launch vehicle. IIST's ambition aligned with that mission and our research teams quickly designed and supplied two payloads to the POEM-2023, and it got commissioned accurately on 22 April 2023.

ARIS (Advanced Retarding Potential Analyser for Ionospheric Studies) payload was conceptualized and built by a team of Inter-Disciplinary Professors (Umesh Kadhane (Physics), Sudharsan Kaarthik (ECE), Sooraj, V.S. (Aerospace), and Anoop, C.S. (ECE)) of IIST. It is an Ionospheric plasma and electrostatic instrument to study the structural and composition of the ionosphere. Earth's ionosphere is a natural detector of terrestrial phenomena and solar activities. Small and difficult-to-detect geomagnetic variations can easily be sensed in the ionosphere, such measurements are used to predict the imminent earthquakes by a few hours. Similarly, solar activity which is the main driver of the ionosphere can be studied in real-time by performing ion and electron density measurements in the ionosphere. Such measurements provide us with the warning of hazardous radiation effects on space assets, possible radiation exposure to aircraft crew and possible power grid disruptions. Real-time monitoring of Ionosphere is important. ARIS 201F was launched on 22 Apr 2023 through PSLV C55. ARIS 201F is an upgraded version of ARIS 101F which was flown to Earth's ionosphere in 2019 as part of the PSLV C45 mission. Upgradations include indigenous and in-house-built sensors with high sensitivity and high energy resolution and optimised operating parameters to receive more data in the energy range relevant to the Earth ionosphere (based on data received from ARIS 101F).

The second payload was Pslv-In-orbital Obc and Thermals (PILOT). It is a student payload to validate a thermal simulation model at real flight conditions. The main mission objectives are the following: a) To demonstrate the 3D printed metal structure performance for satellite related applications designed by IIST and fabricated by L&T Pvt. Ltd, b). To validate the thermal simulation model with flight data acquired through sensors placed at strategic locations, c) To evaluate the performance of the indigenously designed On-Board Computer (OBC) along with its flight software developed for the mission, d) To demonstrate the indigenously developed RS485 telemetry communication.

INSPIRESat-1 – a success story by IIST team

In 2015, the INSPIRE (International Satellite Program in Research and Education) program was initiated by the University of Colorado, Boulder (CU) and Laboratory for Atmospheric and Space Physics (LASP). Its objectives are to develop a constellation of small satellites along with a supportive global ground station network to aid in innovative research in spacecraft design, space systems engineering, operations, and data analysis, as well as in several educational programs. INSPIRESat-1 is a 9U CubeSat conceptualized, designed, and launched by CU/LASP, IIST (Indian Institute of Space Science and Technology), Thiruvananthapuram, Kerala, India, and NCU (National Central University), Taoyuan City, Taiwan. Its payloads are (1) DAXSS (Dual Aperture X-ray Solar Spectrometer) instrument to build knowledge on Sun's Coronal Heating process, and (2) Compact Ionosphere Probe to understand Ionosphere dynamics.

At IIST, Small-spacecraft Systems and Payload Center (SSPACE), headed by Dr. Priyadarshan H, Department of Electronics and Communication Engineering (Avionics), was established as a nodal point. A dedicated group of IIST students & faculties, scientists from various ISRO centers, and a few international collaborators joined hands in the conceptualization, design, manufacturing, and launch of the INSPIRESat-1 Nano-satellite. All students involved in this program contributed creative ideas to overcome the highly complex technological challenge and gained valuable knowledge in the field of Nano-satellites. On 14 Feb 2022, INSPIRESat-1 was launched successfully into Low Earth Orbit (LEO) by the ISRO's majestic PSLV-C52, and the IIST ground station successfully established communication with the satellite.

ARIS Payload launch in 2019

ARIS payload was the IIST's first tryst with Space. Indigenously, an IIST team comprising of students, researchers, and faculties designed and developed an Advanced Retarding Potential Analyzer for Ionospheric Studies (ARIS) payload. On 1st April 2019, it was successfully launched to its desired orbit by ISRO's PSLV C45 rocket.

3.1 Global Opportunities

Substantial opportunities exist for undergraduate students to carry out their credited internships and projects at ISRO Centres and other premier institutes in India and abroad with funding from IIST and/or the host institutes. IIST has tie-ups with institutes like University of Colorado, Boulder, USA (CALTECH), Jet Propulsion Laboratory, California, USA, Australian National University, Canberra, Australia, University of Tokyo, Japan, Niigata University, Japan, École Polytechnique Fédérale de Lausanne, Switzerland, and Sorbonne University, France, for student internships.

To propel the bright minds to excel, the top academic performer of Aerospace Engineering and Electronics and Communication Engineering branches of the undergraduate programme are offered an excellent opportunity to pursue their Masters' at one of the world's renowned California Institute of Technology (Caltech), USA. The above 9-months Masters' course is financially fully supported under the DoS-Caltech Professor Satish Dhawan Endowment Fellowship. After completing the master's, those students undergo additional two-month internship at JPL which is also covered in the Professor Satish Dhawan Endowment Fellowship. On return, these students are absorbed in ISRO.

UG students are encouraged to apply for other international internship programmes. In recent years, students secured fellowships under Lockheed Martins's Undergraduate Student Visitation Program, Mitacs Globalink Research Foundation, Canada and DAAD Germany Academic Exchange Services, Germany and performed internships at prestigious international academic institutes.

Undergraduate and Dual Degree students are offered performance based financial assistance for every semester (detailed in Section 11). Additionally, undergraduate and Dual Degree students, on successful completion of their degrees, have the opportunity to be absorbed into the prestigious centres of ISRO subject to availability of vacancies and fulfilment of academic criteria as described in Section 12. Also, the students can go through the IIST Placement cell for recruitments into various organizations.

4 STUDENTS GRADUATING FROM IIST

The 12th convocation of the Indian Institute of Space Science and Technology - IIST was held on July 6, 2024, with Vice President Shri Jagdeep Dhankhar, ISRO Chairman Shri S. Somnath, IIST Chancellor Dr. B.N. Suresh, and IIST Director Shri Unnikrishnan Nair in attendance. The chairman stressed on the need for the young generation to be more creative and enthusiastic, especially in the current scenario of the opening up of the space sector. The Vice President delivered that towards realising a Vikasit Bharath 2047 or earlier, the new generation, like those who are graduating today, will be the driving force leading the developments. The Vice President awarded degrees and academic achievement awards to students. Mr. Manvendra Sharma (B. Tech. in ECE) bagged the prestigious Gold Medal. Mr. Y. Rahul Kumar (B. Tech. in Aerospace) won the cash award for being the topper in the Aerospace Department. Mr. Siddharth S Kandhway, (B.Tech in Aerospace), was adjudged the Best All-Rounder in academics, co-curricular and extra-curricular activities, and he received a Cash Award along with an Excellence Certificate. A special award for the best all-rounder in B.Tech (female), sponsored by the IIST Alumni Association, was presented to Ms. Reetika.

IIST Chess Team Achievements – BITS SPREE 2025 (March 2025)
The IIST Chess Team secured 5th place out of 10 teams in the BITS Blitz Chess Tournament. In the individual standings, our team members ranked between 14th and 30th out of 60 participants.

Trivandrum District Chess Competition 2024 (May 2024)
Individual Standings - Mr. Karan Gupta – 12th, Prakhar Maheshwari- 16th, Varun Raj - 20th & KNVCS Gupta - 21st positions among 100 competitive participants

Achievements of IISTians

The Kalam PRIZE

The topmost academic achievers of B. Tech Aerospace Engineering and Electronics and Communication Engineering (Avionics) students of IIST were provided a unique opportunity to do a nine-month Master of Science program at the world-renowned California Institute of Technology (Caltech), USA. After the M.S. program, they also undergo a two-month internship at Jet Propulsion Laboratory (JPL), a federally-funded research and development center managed by Caltech for NASA. Their higher studies are fully funded through DoS-Caltech Professor Satish Dhawan Endowment Fellowship, and later, they are absorbed in ISRO. California Institute of Technology (Caltech) proudly awards "The Kalam Prize" to one of the best Aerospace engineering Master's Program students whose academic performance was exemplary and showed high potential for future achievements at Caltech, USA. IIST is very proud to mention that five out of the Ten IISTians who did Master's in Aerospace Engineering at Caltech, USA had won the most coveted "The Kalam Prize".

The other winners of "The Kalam Prize"

Mr. Shashank Tomar
2022

2021

Mr. Padmanabha Prasanna Simha
2019

Mr. Avinash Chandra
2018

Mr. A. Chaphalkar
2014

6 CAMPUS LIFE

IIST is situated at Valiamala Hills. The weather is quite pleasant. Its ambience is free from pollution. IIST has dedicated boy's and girl's hostels with all the essential amenities. Student Activity Centre (SAC) has its own building. SAC building has the centralized mess facility for all the students. It has an open air theatre. It has a multi-purpose hall equipped with latest audio-video systems. It also has an indoor sports facility comprised of Gym, pool table, etc. IIST has a very good library. Recently, a butterfly park was initiated, football and basketball grounds have been inaugurated along with a short trekking path. Clubs like Aero club, robotics club, astronomy club, and mathematics club aid in student's contribution to the real time challenges. Students are responsible for the efficient functioning of these clubs. Conscientia is an annual technical fest organized by the students. It is an event that brings out the hidden technical knowledge and talents in students apart from their regular academic commitments. DHANAK is a cultural fest celebrated by the students annually, and it helps to showcase their all-round talents other than academics. It is quite popular in the Southern parts of India. Fresher's day, and farewell day helps in improving the bond among students. ONAM festival is a special event. On that festival day, entire IIST family compete each other in groups in Rangoli contest (only with natural flowers), participate in ONAM procession, and the celebration ends with ONAM sadya (a mouth-watering feast). Also, students celebrate all other festivals. Bus facilities are available for their weekend trips to Trivandrum. Medical facilities including student counsellors are available in the campus. CAFETERIA with its hygienic menu plays an important role in promoting friendship and also research.

6.1 DHANAK 2025

The 14th edition of Dhanak, the much-anticipated annual cultural festival of the Indian Institute of Space Science and Technology (IIST), was held from March 14th to 17th, 2025, under the theme "Fivefold Symphony." Bringing together talented individuals from institutions across the country, the festival provided a vibrant platform for students to showcase their skills in music, dance, art, literature, and digital expression. A true confluence of creativity, innovation, and passion, Dhanak 2K25 set a new benchmark in IIST's cultural landscape. The inauguration ceremony on March 14th, 2025 evening marked the beginning of an exhilarating four-day celebration. Dignitaries, faculty, and students gathered for the formal commencement, setting an enthusiastic tone for the festival. The event line-up featured a diverse range of competitive and entertaining programs, each highlighting artistic brilliance and technical expertise. Some of the standout events included Inferno Moves (Group Dance), Solo Dance, Art Alchemy (Painting Competition), Origami Challenge, Unspoken Chronicles (Story Writing Competition), Dhwanika (Battle of Bands)—where IIST's very own band Swarnova secured third place—Dostana (Duo friendship Event), Lexical Symphony (Spell Bee), Anime Quiz, Melodic Alchemy (Instrumentals), Inkspire (Poetry Competition), Elemental Glamster (Fashion Show), Monoacting, and Valorant (Esports Tournament). The festival saw exceptional participation from various colleges, with performances that seamlessly blended contemporary, hip-hop, folk, and classical styles. Each participant brought a unique interpretation of rhythm, movement, and creativity, captivating audiences with their expressive storytelling and artistic brilliance. The energy and enthusiasm displayed throughout the festival reinforced Dhanak's status as a premier cultural fest. Dhanak 2K25 was an unforgettable experience, fostering an

incredible blend of cultural, artistic, and intellectual talent. It provided students with a dynamic space to express their creativity, connect with fellow artists, and celebrate the spirit of innovation. As the festival concluded on a high note, it left behind cherished memories and a growing anticipation for the next chapter—Dhanak 2K26!

Dhanak 2025

6.2 Sports day

The annual sports meet for the academic year 2024-25 was conducted on 31 January 2025. The students participated in various sports events under the flags of five houses, namely;

Akashganga, Devyani, Kritika, Saptarshi and Sharmista. The sports meet was inaugurated at 9.30 AM by the chief guest Mr. Shahansha M S IPS, Commandant Special Armed Police. Prof. Kuruvilla Joseph (Registrar and Dean-Academics) welcomed the gathering. Prof. Dipankar Banerjee, Director, IIST delivered the presidential address. The Chief Guest received the salute from the march-pasts of various house teams. The Chief Guest ceremoniously commenced the sports meet by raising the IIST flag and initiated lighting the torch by handing over to Sports Captain Mr Shashank Singh IV year Aerospace followed by house captains. Following the formal inauguration function, the finals of various track and field events were conducted. Prof. J. Sheeba Rani, Chairman IIST sports committee, presented the vote of thanks.

7 UNDERGRADUATE PROGRAMMES: AN OVERVIEW

(1) *Aerospace Engineering (AE)*

The B. Tech programme in Aerospace Engineering at IIST is oriented towards the needs of Space Technology, and has significant overlap with Mechanical Engineering. In addition to the traditional courses in Aerospace Engineering, it includes courses in Mechanical Design, Manufacturing Science, and Space Dynamics. A B.Tech degree in Aerospace Engineering enables student to specialize in Flight Mechanics, Aerodynamics, Thermal and Propulsion, Structure and Design, and Manufacturing Science. (visit <https://www.iist.ac.in/academics/curricula> for detailed curriculum and syllabus)

(2) *Electronics and Communication Engineering (ECE) (Avionics)*

This programme offers a well-knit symbiosis of Electrical, Electronics, Communication Engineering and Computer Science. It provides a special focus on Avionics which covers electronics related to aerospace systems. A student with a B.Tech degree in ECE can pursue higher studies in the areas of Digital Signal Processing, RF & Microwave Communications, Antenna, Power Electronics, Microelectronics, Control Systems, Computer Science and Engineering, Artificial Intelligence, Robotics, etc. (visit <https://www.iist.ac.in/academics/curricula> for detailed curriculum and syllabus).

(3) *Computer Science and Engineering (Data Science)*

The Bachelor of Technology (B.Tech) in Computer Science and Engineering with Specialization in Data Science is a 4-year undergraduate program designed to provide a solid foundation in computer science, along with advanced knowledge and skills in data science. The emerging fields of artificial intelligence, machine learning, and deep learning are impacting diverse areas of science and engineering, including space technology. They have become much sought-after skills of the 21st century. The foundations for these domains of modern technology are incorporated in the BTech Computer Science and Engineering program. Core computer science consists of subjects like Programming Languages, Operating Systems, Computer Networks, Computer Organization, Software Engineering, Algorithms, and Data Structures, whereas, subjects like Machine learning, Data Analytics, Deep learning, and Artificial intelligence fulfil the requirements of a firm hold on data science. Students can also choose courses in the elective tracks: Advanced Computer Systems, Information Security and Communication, Data Science and Machine Learning. Students with such expertise will find careers in the advancing areas of computer science and engineering, and data science. Visit <https://www.iist.ac.in/academics/curricula> for a detailed curriculum and syllabus.

(4) *Dual Degree Programme (DD)*

This programme involves the study of the combined disciplines of Physics, Mathematics and Engineering. The first year of the Dual degree programme covers basic courses in science and engineering (common for all undergraduate programmes). The second and third years of the programme will comprise mainly of foundation courses in Physics and Engineering. In the fourth year, the student will pursue one of the four postgraduate specialization streams that will

lead to a Master of Science or M.Tech degree. The fifth year of the programme is dedicated to a research project in the field of specialization.

- The Master of Science Programme in Astronomy & Astrophysics aims at introducing students to the application of physics concepts to planets, stars, galaxies, and the Universe as a whole.
- The Master of Science programme in Solid State Physics is targeted towards a research career in semiconductor devices, and device physics in general. The programme is also designed as a stepping stone for students interested in pursuing advanced research in Condensed Matter Physics.
- The M. Tech programme in Earth System Science aims at introducing students to the various components of the Earth System and their interactions. Earth system is the complex system of interacting physical, chemical and biological processes in Planet Earth; manifested through its various elements such as the atmosphere, hydrosphere, geosphere and biosphere.
- The M. Tech programme in Optical Engineering is designed to meet the present and future technology requirements of the advanced optics industry, and relevant R&D organizations. Some of the technologies, students will be trained in, include, Opto-electronics, Lens design and Optical fabrication and Adaptive optics. (visit <https://www.iist.ac.in/academics/curricula> for detailed curriculum and syllabus)

8 SEAT MATRIX FOR UNDERGRADUATE PROGRAMMES IN 2025

Table 8-1 Undergraduate and Dual Degree Programmes in 2025

Branch	GEN/ OBC (NCL)/ SC/ ST	EWS*	Women**	PMSSS*	Total
Aerospace Engineering	60	6	6	3	75
Electronics and Communication Engineering (Avionics)	60	6	6	3	75
Computer Science and Engineering (Data Science)	30	3	3	0	36
Dual degree	20	2	2	0	24
Total	170	17	17	6	210

Important Notes:

- (i) *: From 2019 academic year and as per the directive, reservation for the Economically Weaker Sections (EWS) to the extent of 6 (six), 6 (six), 3 (three), and 2 (two) seats (10% of 170) in the branches of Aerospace Engineering, Electronics and Communication Engineering, Computer Science and Engineering (Data Science), and Dual Degree, respectively has been implemented.
- (ii) **: Beginning 2020 academic year and as per the recent directive from AICTE, supernumerary seats under the Prime Minister's Special Scholarship Scheme for Jammu & Kashmir students (PMSSS) in the branches of Aerospace Engineering and Electronics and Communication Engineering is being implemented. The selection under this category will be carried out by the PMSSS Cell of AICTE adhering to the minimum eligibility criteria prescribed by IIST (see Section 13 of the brochure).
- (iii) ***: Women Supernumerary: In order to maintain a healthy boy to girl's ratio at IIST, 10% additional seats are reserved for women candidates only.
- (iv) The Dual Degree Programme is a 5-year (10 Semesters) Programme. On successful completion, the students are awarded a B. Tech. degree in Engineering Physics and a Master of Science/ M. Tech. degree in one of the following four postgraduate streams:
 - Master of Science in Astronomy and Astrophysics
 - Master of Science in Solid State Physics
 - M. Tech. in Earth System Science
 - M. Tech. in Optical Engineering

Students will be allotted their postgraduate streams at the end of the sixth semester based on their preference and academic performance up to sixth semester. The seat for each of the streams will be notified to the students during the sixth semester.

There is no exit option with a B. Tech degree in Engineering Physics. However, based on academic performance, Vice Chancellor, IIST, has the discretion not to promote students with unsatisfactory performance to the Masters' level. These students may be allowed to exit with a B. Tech. degree in Engineering Physics with specified norms worked out by the Department and approved by the Academic Council and Board of Management of IIST.

9 RESERVATION OF SEATS

As per the reservation policy of Government of India applicable to Central Educational Institutions (CEI), candidates belonging to the following categories are admitted to reserved seats based on relaxed criteria. The categories and the corresponding percentage of reservation are:

- Scheduled Castes (SC): 15%
- Scheduled Tribes (ST): 7.5%
- Other Backward Classes (OBC) belonging to Non-Creamy Layer (NCL): 27%
- Persons with Disabilities (PD): 5% (Horizontal Reservation)
- Economically Weaker Section (EWS): As below.

Beginning 2019 academic year and as per the recent directive, seats to the extent of 6 (six), 6 (six), and 2 (two) seats (10% of 140) in the branches of Aerospace Engineering, Electronics and Communication Engineering and Dual Degree, respectively, are reserved for the EWS category. The above listed categories are the **ONLY** reservation categories for admission to the undergraduate programmes at IIST. The seat matrix as per each category for UG admission 2025 is shown in Table 9-1.

Women Supernumerary: In order to maintain a healthy boy's to girl's ratio, 10% additional seats are reserved for women candidates only. The seat matrix of women supernumerary for UG admission 2025 is shown in

Table 9-2.

9.1 Important Notes:

(i) *EWS Candidates:*

Eligible candidates applying under EWS category are required to produce a EWS certificate issued by a competent authority in the prescribed format given in APPENDIX–I. **Certificates in any other format will not be accepted.** The certificate (in original) must be produced at the time of verification at the specified Reporting Centres, failing which the candidature will not be considered for admission under the EWS category.

(ii) *SC/ST Candidates:*

Candidates belonging to SC/ST categories are required to produce the original Scheduled caste/ tribe certificate issued by a competent authority in the prescribed format given in APPENDIX–II. **Certificates in any other format will not be accepted.** The documents (in original), must be produced at the time of verification at the specified Reporting Centres, failing which the candidature will be cancelled. Seats remaining vacant under ST category shall be allotted to SC candidates. Seats remaining vacant under the SC/ST categories shall not be filled by candidates belonging to any other category.

(iii) *OBC-NCL Candidates:*

Under the OBC-NCL category, only castes mentioned in the Central list of OBCs, published by the Department of Personnel and Training, Government of India, will be considered. In addition, the candidate should also satisfy the condition of non-creamy layer as defined by the Government of India. Seats remaining vacant under this category shall be allotted to General candidates.

The OBC-NCL candidates seeking the benefits of reservation are required to produce the **original certificate issued on or after 1st April, 2025** by a competent authority in the prescribed format given in APPENDIX–III. **Certificates in any other format will not be accepted.** The certificate (in original) must be produced at the time of verification at the specified Reporting Centres, failing which the candidature will not be considered for admission under the OBC-NCL category. Candidates belonging to the OBC-NCL category are also required to submit a declaration/ undertaking in the format given in APPENDIX–IV.

(iv) *PD Candidates:*

5% seats are reserved (horizontal reservation) for Persons with Disabilities candidates. The benefit of reservation would be given only to those who have **at least 40% physical impairment.** Candidates seeking benefit under this category are required to produce **original certificates, issued by a district medical board/ competent authority,** at the time of verification at the specified Reporting Centres, failing which the candidature will not be considered for admission under the PD category.

Table 9-1 **Category-wise seat matrix**

Academic Programme	General	OBC-NCL	SC	ST	Total	EWS*	PMSSS**
--------------------	---------	---------	----	----	-------	------	---------

Aerospace Engineering	30 (1)	16 (1)	9	5 (1)	60	6	3
Electronics and Communication Engineering (Avionics)	30 (1)	16 (1)	9 (1)	5	60	6	3
Computer Science and Engineering (Data Science)	15 (1)	8 (1)	5	2	30	3	0
Dual Degree	10 (1)	6	3	1	20	2	0
Total	85	46	26	13	170	17	6

Table 9-2 Women supernumerary* Seat Matrix**

	GEN	OBC	SC	ST	Total
Aerospace Engineering	3	2	0	1	6
Electronics and Communication Engineering (Avionics)	3	2	1	0	6
Computer Science and Engineering (Data Science)	2 (1)	1	0	0	3
Dual degree	1	0	1	0	2
Total	9	5	2	1	17

Important Notes:

- (i) Number one in bracket indicates that one PD candidate is included.
- (ii) *, ** and ***: Refer to Important Notes in section 9.1.

10 SEMESTER FEE STRUCTURE

The undergraduate and Dual Degree Fee structure for the students admitted from Academic Calendar 2025-2026 onwards and new admissions is provided in **Table 10-1**.

Table 10-1 Details of Fee Structure for UG

Description of fee	Amount (in Rs.)
One Time Fee	
Admission Fee (Non-Refundable)	500
Campus Development Fee	1000
Institute & Library Deposit (Refundable)	5000
Alumni Fee ¹	500
Convocation cum Degree Fee ¹	2000
Total	9000
Semester Fee	
Tuition Fee ²	62500
Computer Fee	750
Internet Fee	250
Library Fee	1000
Examination Fee	500
Registration and Enrolment Fee	200
Association and Cultural Fee	500
Sports Facilitation Fee	250
Medical and Insurance Fee	2000
Total	67950
Hostel & Mess Fee per semester	
Hostel Establishment Charges	5000
Hostel Rent	3000
Electricity and Water Charges	750
Mess Semester(Advance) for 5 months	15000
Optional : Vacation Mess charge(per month)	3000
Total without Vacation mess charge	23750
Grand Total at the time of Admission	98200
Grand Total Every Semester	91700

1. Will be collected with the final semester fee
2. Tuition Fee
 - a. UR /EWS/ OBC-NCL parental annual income >Rs. 5.0 Lakh : Tuition Fee - Rs. 62500.00
 - b. UR/EWS/OBC-NCL parental annual income ≤Rs. 5.0 Lakh: Tuition Fee - Rs. 20850.00
 - c. UR/EWS/OBC-NCL parental annual income <Rs. 1.0 Lakh: Tuition Fee - NIL
 - d. SC/ST/PD: No Tuition Fee

Tuition fee waiver for UR/EWS/OBC-NCL categories as per above table will be applied after the verification of Parental Annual Income

3. Supplementary Examination Fees: Rs. 100.0 per paper

Important Notes:

- (i) The First Semester Fee has to be paid through online transfer at the time of acceptance of allotted seat during the admission process. Fees for the remaining semesters have to be paid at the beginning of each semester before the notified date.
- (ii) Amount to be paid at the time of admission:
 - GEN/OBC/EWS: Rs 20700.00 ((one-time fee-(convocation + alumni))+(semester fee-tuition fee)+hostel establishment fee + hostel Rent + Electricity)
 - SC/ST/PD: Rs. 20700.00
- (iii) The rest of the amount need to be paid while joining the institute
- (iv) Hostel and Dining charges are applicable only for the academic period of the semester and hence will not cover expenses incurred during the vacation period, except at the end of sixth semester, when students undertake credited Summer Internships.
- (v) Except Tuition Fee, the other components are subject to revision, and any changes will be informed well in advance.

11 MERIT SCHOLARSHIPS

- A. The top 5 students (UG/DD) admitted in 2025-2026 who have secured AIR (All India Rank, in JEE Advanced Examination, 2025) up to 1000 would be entitled to full fee waiver for the first year. However, they have to maintain a CGPA of 9.0 and above in a scale of 10 at the end of each year in order to obtain full fee waiver for the subsequent year.
- B. Students (UG/DD) admitted in 2025-2026 and securing a CGPA of 9.0 or higher (in the scale of 10) **in a given semester** would receive a 50 percent tuition fee waiver in the next semester. The number of waivers shall be limited to ten percent (10%) of the admitted students in each program.

12 ISRO/ DOS ABSORPTION POLICY

Based on notified vacancies in different specializations, by ISRO/DOS, undergraduate and Dual Degree (viz. B.Tech in Aerospace, B.Tech in Electronics & Communication Engineering (Avionics), *B.Tech in Computer Science and Engineering (Data Science)* [subject to the approval of DoS], and Dual Degree in Astronomy & Astrophysics, Earth System Science, Solid State Physics, and Optical Engineering) students will be eligible for recruitment to the post of Scientist/ Engineer-SC, subject to fulfilment of the following conditions applicable to **ALL** categories of students:

- i. Interested students securing a CGPA of 7.0 or above (on a scale of 10) at the end of sixth (B.Tech)/ eighth (DD) semester will be eligible to appear for a job placement interview organized by ISRO Headquarters.
- ii. The eligible candidates will be interviewed by the ISRO Expert Committee and panel list will be prepared accordingly.
- iii. Posting of the candidates to Centres/Units shall be notified by ISRO Headquarters.
- iv. Students should secure minimum Cumulative Grade Point Average (CGPA) of 7.5 (on a scale of 10) at the end of B.Tech/ Dual Degree Programmes & should successfully complete the B.Tech and Dual Degree Programmes in 4 (four) and 5 (five) years, respectively to be eligible for issue of offer letter.
- v. Students are also required to be fully medically fit as per ISRO norms.

13 ELIGIBILITY FOR ADMISSION

Candidates desirous of admission to IIST must satisfy **ALL** eligibility criteria detailed below.

1. **Citizenship:** Indian citizens are eligible to apply for admission in IIST.
2. **Eligibility criterion for the Overseas Citizens of India (OCI)/Person of Indian Origin (PIO) card holders** are as follows:
 - Candidates who possess OCI/PIO card can apply for the UG program.
 - The selection of the candidates who possess OCI/PIO card will be based on JEE (Advanced) 2025 Examination and the candidates will be considered only in the GENERAL category only.
 - The candidates who possess OCI/PIO card have to pay the full amount of Fee which includes onetime fee, Semester fee and Hostel and Mess fee.
 - As per Govt. of India guidelines, only Indian citizens can be appointed for Govt. of India jobs. Hence, B. Tech and Dual Degree students graduating from IIST and having OCI/PIO card will not be eligible for ISRO/DOS absorption.
3. **Date of Birth:** Candidates belonging to General, EWS and OBC-NCL categories must have been born **on or after October 1, 1999**. Candidates belonging to SC/ ST and PD categories must have been born **on or after October 1, 1994**.

The date of birth as recorded in the certificate of high school/ first Board/ or its equivalent will be accepted. If the certificate does not mention the date of birth, candidate must, at the time of accepting the seat, submit an authenticated document from a competent authority indicating the same.

4. Minimum Marks Requirement in Qualifying Examination:

Candidates must have secured at least 75% aggregate marks in the Class XII (or equivalent – see below for list of Qualifying Examinations) Board examination. The aggregate marks for SC, ST and PD candidates should be at least 65%. The marks scored in the following five subjects will be considered for calculating the aggregate marks:

- Physics
- Chemistry
- Mathematics
- A language (if the candidate has taken more than one language, then the language with the higher marks will be considered)
- Any subject other than the above four (the subject with the highest marks will be considered)

5. Important Notes:

- i. For calculation of aggregate marks, if the mark awarded in a subject is not out of 100, then the mark will be scaled (up or down) to 100 so that the total aggregate mark is out of 500.
- ii. In case a Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit the same at the time of admission.
- iii. For candidates who appeared in the Class XII (or equivalent) Board examination in 2024 but reappeared in 2025, the best of the two performances will be considered.

- iv. In case a Board gives aggregate marks considering both Class XI and Class XII examinations (in the 10+2 system), then only Class XII marks will be considered.
- v. In case a Board does not give marks scored in individual subjects but gives only the aggregate marks, then the aggregate marks given by the Board will be considered as such.
- vi. If a candidate passes Class XII (or equivalent) in 2024, but writes any of the required subjects (mentioned above) in 2025 for improvement or any other reason, then the aggregate percentage will be calculated by considering the best of the two performances in the required subjects.
- vii. For any other cases, the decision taken by the IIST Admission Committee will be considered final.

6. List of Qualifying Examinations: Any one of the following will be accepted as the Qualifying Examination:

- The final examination of the 10+2 system, conducted by any recognized central/ State Board, such as Central Board of Secondary Education, New Delhi; Council for the Indian School Certificate Examinations, New Delhi; etc.
- Intermediate or two-year Pre-University examination conducted by a recognized Board/ University.
- Final examination of the two-year course of the Joint Services Wing of the National Defence Academy.
- Senior Secondary School Examination conducted by the National Institute of Open Schooling with a minimum of five subjects.
- Any Public School/ Board/ University examination in India or in any foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU).
- H.S.C. vocational examination.
- General Certificate Education (GCE) examination (London/ Cambridge/ Sri Lanka) at the Advanced (A) level.
- High School Certificate Examination of the Cambridge University or International Baccalaureate Diploma of the International Baccalaureate Office, Geneva.

In case the relevant Qualifying Examination is not a public examination, the candidate must have passed at least one public (Board or Pre-University) examination at an earlier level.

7. Minimum Marks Requirement in JEE (Advanced) 2025 Examination

Candidates should have appeared for the **Joint Entrance Examination (Main)-2025** conducted by National Testing Agency (NTA), to qualify themselves to appear for the **Joint Entrance Examination (Advanced) - 2025** conducted by IITs and secure the minimum prescribed marks reported in Table 13-1 and Table 13-2.

Table 13-1 Minimum Marks Requirement in JEE (Advanced)–2025 Exam

Sl No.	Category	Minimum Marks
1.	General	At least 20% marks in aggregate and at least 5% marks in each of the three subjects (Physics, Chemistry and Mathematics)
2.	EWS/ OBC-NCL	At least 18% marks in aggregate and at least 4.5% marks in each of the three subjects (Physics, Chemistry and Mathematics)
3.	SC/ ST/ PD	At least 10% marks in aggregate and at least 2.5% marks in each of the three subjects (Physics, Chemistry and Mathematics)

Table 13-2 Minimum Marks Requirement in JEE (Advanced)–2025 Exam

IIST Cut-off Marks in JEE (Advanced) 2025				
Category	Physics	Chemistry	Mathematics	Aggregate
General	6	6	6	72
EWS/ OBC-NCL	5	5	5	65
SC/ ST/ PD	3	3	3	36

14 IMPORTANT DATES

The important dates of **Undergraduate Admission 2025** is presented in Table 14-1.

Table 14-1 Important Dates of Undergraduate Admission 2025

Opening of Online Registration and Filling-in of Branch Preferences	Tuesday, May 27, 2025, 10:00Hr.
Closing of Online Registration	Monday, June 9, 2025, 23:59 Hr.
Publication of IIST Admission Rank List	Wednesday, June 11, 2025, 17:00 Hrs
Closing date for Modification of Branch Preferences	Thursday, June 12, 2025, 17:00 Hrs
Seat Allotment/ Acceptance rounds	Friday, June 13, 2025- Thursday, July 03, 2025
Joining IIST**	Monday, July 21, 2025, (Reporting Time:10:00 Hrs)
Spot Admissions (Online) Notification, if required (in case of vacancies)	Friday, July 04, 2025, 14:00 Hrs
Spot Admissions (Online) Registration, if required (Applicable only for remaining wait-listed candidates after last round of seat allotment)	Saturday, July 05, 2025, 09:00 Hrs - Wednesday, July 09, 2025, 23:59 Hrs
Spot Admissions, if required. (Online) (Applicable only for remaining wait-listed candidates after last round of seat allotment)	Thursday, July 10, 2025- Friday, July 18, 2025
Closing of Admission	Monday, July 21, 2025
Induction Programme	Monday, July 21, 2025 - Friday, July 25, 2025
Commencement of Classes	Monday, August 04, 2025

Important Notes:

- (i) The above dates are tentative. Any change of date will be indicated in the IIST Admission website. Candidates are advised to check the website regularly

15 ONLINE ADMISSION PROCEDURE

Candidates who are desirous to join the Undergraduate and Dual Degree Programmes offered by IIST are required to apply separately to IIST through the online application portal (<https://admission.iist.ac.in>) and follow the steps detailed below:

(1) Registration:

Visit the online application portal (<https://admission.iist.ac.in>) and choose the link to **Undergraduate Admission 2025**. Follow the instructions given and fill in all the details. The successfully registered candidates will be given a system generated IIST Registration Number. Candidates need to specify a password. It is the sole responsibility of the candidate to keep the password secured to avoid any misuse.

Candidates are required to upload soft copy of the same photograph that they have used for JEE (Advanced) 2025 registration.

Candidates are advised to carefully read the eligibility criteria detailed in Section 13 before registration.

(2) Registration Fee Payment:

Registration Fee payment is through e-payment mode **ONLY** and should be done by visiting the online application portal (<https://admission.iist.ac.in>) and clicking on the **PAY REGISTRATION FEE** link. Receipt of payment will be confirmed through registered E-mail and mobile number.

The Registration Fee is non-refundable and is detailed in Table 15-1 for the various categories.

Table 15-1 Registration Fee

Sl No.	Category	Amount (INR)
1.	Male candidates in General/ EWS/ OBC-NCL	1000
2.	Female candidates in General/ EWS/ OBC-NCL	500
3.	All SC/ ST/ PD candidates	500

(3) Publication of IIST Admission Rank List:

- Category-wise IIST Admission Rank List will be generated **ONLY** for those eligible candidates who are successfully registered online and have paid the Registration Fee.
- IIST Admission Rank List will be prepared based on the aggregate marks scored in JEE (Advanced) **2025** Examination subject to satisfying the minimum marks prescribed in Table 13-1 and Table 13-2.
- Tie between candidates securing the same aggregate marks will be resolved by applying the procedure indicated below one at a time in the descending order
- Higher rank will be assigned to the candidate who has secured higher marks in Mathematics.

- Higher rank will be assigned to the candidate who has secured higher marks in Physics.
- Higher rank will be assigned to the candidate who secured higher rank in JEE (Main)–**2025** Examination, in the respective category.
- IIST UG Admission statistics is provided in Table 15-2 for the previous three years

Table 15-2: **IIST UG Admission Statistics**

Opening and Closing Percentage of JEE (Advanced) Marks for 2023, 2022 and 2021

Opening and closing Percentage of JEE Advanced 2024 marks

Category	Bachelor of Technology (B. Tech)				Dual Degree (B.Tech + Master of Science/ Master of Technology)	
	Aerospace Engineering		Electronics Communication Engineering			
General	59.44	35.28	51.67	35.28	41.67	35.00

ST	18.33	12.50	16.11	11.94	11.67	11.67

Opening and closing Percentage of JEE Advanced 2022 marks

Category	Bachelor of Technology (B. Tech)				Dual Degree (B.Tech + Master of Science/ Master of Technology)	
	Aerospace Engineering		Electronics Communication Engineering	and		
	Open (%)	Close (%)	Open (%)	Close (%)	Open (%)	Close (%)
General	53.61	21.39	29.44	20.83	31.94	19.72
EWS	20.28	18.06	20.83	18.06	18.06	17.78
OBC	20.28	17.50	20.28	17.22	18.61	17.22
SC	18.89	11.67	13.89	11.39	10.83	10.28
ST	13.06	9.44	10.00	9.44	8.61	8.61

(4) Filling-in of Branch Preferences:

- Candidates whose names appear in IIST Admission Rank List are required to fill in their choice of branch in order of preference for the Undergraduate and Dual Degree Programmes during time of registration. Registration **WILL NOT** be completed without the choice of branch preference. Last date for modifying branch preference is specified in Table 14-1.
- After the culmination of the specified dates given in Table 14-1, the preferences will be locked. **No further change of choice/ preference will be entertained.**
- Candidates are strongly advised to choose the branch as per their interest.
- **It is NOT mandatory to fill-in all three choices.**

(5) Seat Allotment/ Acceptance Rounds:

- Detailed schedule for seat allotment/ acceptance rounds will be announced on the website.
- Based on available vacancies, seat allocation to the three branches will be done in order of merit as per the preferences filled-in by the candidates.
- Candidates who are satisfied with the seat allotment are required to choose the **FREEZE** option and proceed to confirm seat acceptance.
- **Candidates who choose the FREEZE option will not be further considered for their higher preferences, if any. Candidates are advised to be sure before choosing this option.**
- Candidates who wish to be considered for their higher preferences but would like to confirm their allotted seat are required to choose the **SLIDE** option and proceed to confirm seat acceptance.
- **Based on the vacancies available and on the basis of merit, branch choice will automatically SLIDE UP as per the preference order filled-in by the candidates. This will also hold after joining IIST till the closing of UG Admission-2025.**

- Candidates opting for the **FREEZE** or **SLIDE** options during a seat allocation round are required to **accept the seat** by following the process detailed below:
 - Candidates (all categories) are required to make an online payment of First Semester Fee amounting to INR 20700 (rest of the amount will be collected on arrival at IIST) before the specified date/time which will be notified on the website. **Failure to remit the First Semester Fee will amount to forfeiting the allotted seat and candidate will not be considered for any further seat allotment.**
 - The above payment is through e-payment mode **ONLY** and should be done by visiting the online application portal (<https://admission.iist.ac.in>) and clicking on the **FIRST SEMESTER FEE** link. Receipt of payment will be confirmed through registered E-mail and mobile number.
 - Candidates are required to upload scanned copies of the following documents before the specified date/ time which will be notified on the website.
 - Class X certificate if the date of birth is mentioned in it OR birth certificate.
 - Class XII (or equivalent examination) mark sheets (for those who appeared for this examination in **2024 and/or 2025**).
 - Category (EWS/OBC-NCL/SC/ST/PD) certificates.
 - Transfer Certificate from the institute last attended.
 - Candidate's AADHAR Card.
 - Documents should be uploaded by clicking on the **UPLOAD DOCUMENTS** link.
 - On successful verification of documents, a provisional ADMIT CARD will be generated.
 - On intimation, the candidates can download the same by logging into the Online Admission Portal.
 - Candidates will be required to produce the ADMIT CARD at the time of joining IIST.
 - **NO RE-VALIDATION is required for the** registered candidates who are in the published Waiting List to be considered in the subsequent rounds of seat allotment
- (6) **Seat Allocation shift from Category to General:**
- For candidates who are allotted and accepted seats under the reserved category by choosing the FREEZE option, their higher preference(s) from category and general rank list will be removed. In subsequent rounds, based on available vacancies, if they secure a seat under the general category then they will be shifted to the general category and vacate the allotted seat under the reserved category.
 - For candidates who are allotted and accepted seats under the reserved category by choosing the SLIDE option, their higher preferences in both the category and general rank list will be retained. In subsequent rounds, based on available vacancies, seat allotment and shift to general category will proceed as above.
- (7) **Forfeiture of accepted Seats:**
- Candidates who have accepted the seat by remitting the First Semester Fee and who wish to forfeit their accepted seat can visit the Online Admission portal and select the **WITHDRAWAL** option and fill the Withdrawal Form indicating their bank account details for fee refund. The refund policy (as per UGC guidelines) is given in **Table 15-3**. The amount will be deducted from the paid First Semester Fee*.

Table 15-3 Refund Policy for UG admission 2025-2026*

S.No	Percentage of Refund of Aggregate Fees	Point of time when notice of withdrawal of admission by candidate	Amount to be deducted
1	100%	15 days or more before the formally notified last date of admission	Rs 1000/- as Processing Charge
2	90%	Less than 15 days before the formally notified last date of admission	10% of the fees + Medical + proportionate Hostel charges.
3	80%	15 days or less after the formally notified last date of admission	20% of the fees + Medical + proportionate Hostel charges.
4	50%	30 days or less but more than 15 days, after the formally notified last date of admission	50% of the fees + Medical + proportionate Hostel charges.
5	0%	More than 30 days after the formally notified last date of admission	No Refund of Fees after 30 days from the formally notified last date of admission

*** Subject to changes according to the UGC guidelines available at the time of admission.**

16 SCHEDULE FOR SEAT ALLOTMENT/ ACCEPTANCE ROUNDS

Tentative date for starting of Seat allotment/acceptance is indicated in Table 14-1. The detailed schedule will be uploaded on the website.

17 ONLINE SPECIAL OR SPOT ADMISSION ROUNDS

At the end of the regular seat allotment online rounds, if there any vacancy exists, then those seats will be filled through **online** Special or Spot admission process. All the candidates who are in the IIST UG admission 2025 WAITING LIST are eligible to participate in the online spot admissions. The candidates in the waiting list who are aspiring for a seat shall register themselves for the spot admission rounds on the admission portal with their login credentials **WITHOUT PAYING ANY ADDITIONAL SPOT ADMISSION REGISTRATION FEES. But, the candidates must register for the online spot rounds for further consideration in IIST UG admission procedure.**

18 JOINING IIST

Candidates, who have accepted the seat allotment, are required to join IIST on the date specified in Table 14-1. Candidates are required to submit a Medical Examination Report in the prescribed format (will be provided during their admission) before the date intimated during the admission.

19 PLACEMENT

Till 2023, the students, who secured a minimum CGPA criterion, are absorbed in different ISRO centres. Till now, 1329 students got absorbed in various ISRO centres. In the last year, 98 students got into the elite club and the details are provided in **Table 19-1**.

Table 19-1 ISRO/ DOS Absorption Details (2011-2023)

Year	AE	AV/ ECE*	PS/DD**	Total
2011	41	54	22	117
2012	42	52	30	124
2013	39	54	29	122
2014	35	43	26	104
2015	44	45	13	102
2016	43	39	21	103
2017	39	42	23	104
2018	36	33		69
2019	42	38	26	106
2020	38	43	19	100
2021	42	34	11	87
2022	38	40	15	93
2023	41	44	13	98
2024	40	43	18	101

*B.Tech Avionics was renamed as Electronics and Communication Engineering (Avionics) in 2018.

**In 2014, B. Tech. in Physical Sciences (PS) was revamped into a 5 year Dual Degree Programme. The first batch who joined in 2014, graduated in 2019.

From 2021 admissions onwards, the absorption to DOS/ISRO has been revised and for more information refer to section 12.

The placement cell serves as an interface with different companies to facilitate campus placements for the students of IIST. Some of the companies visited IIST for the campus interview in the past few years are listed below. More details can be found at <https://iist.ac.in/placementcell>

20 ANTI-RAGGING POLICY

A. What constitutes Ragging ?

i.	Ragging constitutes one or more of any of the following acts:
ii.	Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.
iii.	Indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.
iv.	Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.
v.	Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher
vi.	Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students
vii.	Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students
viii.	Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person
ix.	Any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student.
x.	Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher.

B. Administrative action in the event of ragging
